HARFORD SWIM LEAGUE RULES AND REGULATIONS

RULE 1 GENERAL

- 1.1 All rules, as listed below, have been agreed upon by the member pools and will not be open for change until the next even numbered year, unless deemed necessary by a two-thirds (2/3) vote of the membership of the Harford Swim League board (HSL). Any infractions of rules regarding a decision as to possible disciplinary action will be handled in accordance with Rule #8.7 – Protest Procedures.
- 1.2 Expenditures will be consistent with the budget approved by the HSL board. Any expenditure in excess of 10% of the approved budget requires a majority vote of the HSL board.

RULE 2 LEAGUE DIVISIONS

- 2.1 **TEAM PLACEMENT.** The HSL has adopted a structure which segregates the participating teams into ~~two~~ **three (3) [New 2008]** divisions. The initial two (2) division structure was established at the end of the 2000 summer season **and the new three (3) division structure was established at the end of the 2007 summer season [New 2008]**. At the end of each season, the winning team from Division II will move to the Division I conference **and the winning team from Division III will move to the Division II conference for the next season [New 2008]**. The last place team of the Division I conference will move to the Division II conference **and the last place team of the Division II conference will move to the Division III conference [New 2008]**.
- 2.2 **DIVISION BALANCING.** The HSL board will determine the divisional structure for the upcoming season at the October meeting. Any new team(s) added to the league will be placed in the division which balances the number of teams per division. In the event that the divisions are balanced, the final decision for the initial placement of the team(s) will be by a majority vote of the active teams present at the October meeting.
- 2.3 **DIVISION CHAMPIONS.** There will be ~~two (2)~~ **three (3) [New 2008]** Division Champions determined at the end of the season. The team with the most recorded wins in a season in each division is the Division Champion. Only divisional meets are used to determine this ranking. In the event of a tie, head-to-head competition from the divisional dual meet season will be used to break the tie. In the event that head-to-head ranking still results in a tie, then the tie will be broken by summing the difference in the scores between the wins for the tied teams. The team with the greatest score demonstrates the greatest strength within the tied teams. Any teams tied after these criteria will be declared co-champions.

RULE 3 TEAM DUES AND RESPONSIBILITIES

- 3.1 **MEMBERSHIP DUES.** Each member team will submit the \$425 membership dues to the HSL Treasurer at the annual HSL summer league Coaches meeting.
- 3.2 **TEAM HEAD TAX DUES.** Each team, when submitting the Official Team Roster, must submit the appropriate Head Tax (determined each year, \$2 per swimmer) to the HSL Treasurer. The HSL Statistician and the HSL Treasurer will compare figures to ensure the correct payments have been submitted. Each roster addition through July 1st is subject to this Head Tax. Head Tax payments cannot be transferred or refunded.
 - 1 **Note:** If the overall operating expenses should exceed the income of the HSL, each member team will be assessed an equal amount to make up the deficit.
 - 2 **Note:** Failure to comply with the above stipulations will result in a Team fine of \$75 each if not received within 10 days of the due date. The delinquent team will be suspended from all HSL activities until payment is made.
- 3.3 **ROSTER SUBMISSION.** Prior to July 1st, each team must electronically submit a copy of their entire team's roster (Hy-Tek Team Manager Athletes Zip File) to every HSL Coach and each Team

APPROVED 2-18-04

RULE 26 CONSTITUTION

Article I – Name

The name of this organization shall be the Harford Swim League and shall hereinafter be referred to as the HSL.

Article II – Purpose

The purpose of the HSL shall be to:

1. Promote safe swimming in Harford County by providing swimming opportunities
2. Foster positive swimming experiences for the youth of participating swimming organizations
3. Promote "Good Sportsmanship"
4. Establish a communication channel among participating swimming organizations
5. Encourage the personal development of swimmers
6. Recognize the value of each individual swimmer
7. Encourage spectators to support all participating swimmers

Article III – Membership

Membership:

Membership is opened to any *bonafide* swimming organization in Harford County who has 40 eligible swimmers. Applicants must apply in writing to the HSL President by August 31st of the year prior to the applied season. Organizations may present an overview of their team to the Executive Board at the September meeting. Final admission to the HSL is achieved by a vote of the executive board at the October meeting after each team has evaluated the bonafide nature of the applicant. Written notification of the admission outcome will come from the President of the H.S.L. in the month of October. Applications outside of this timeframe will be deferred until the next year.

Dismissal:

1. Any existing team with less than 35 competing swimmers at any dual meet is subject to a request at the September meeting for a vote on removal from the HSL at the October meeting. A majority of the teams present at the October meeting will determine the outcome. Any team dismissed may petition for reinstatement the following September.
2. All teams must follow the HSL rules and regulations and articles as defined in the HSL Constitution. Any team not in compliance is subject to a vote of the HSL board for immediate dismissal from the swim league.

Article IV -Organization
